

CIRCUS SMIRKUS SUMMER TOUR 2010
PERSONAL QUESTIONNAIRE
and CIRCUS SKILLS SURVEY

If you become a Circus Smirkus Trouper, you will be joining a large family that spends at least 10 weeks together under very exciting, and often challenging circumstances. This questionnaire helps us learn what makes you tick and what skills you possess, and will give you some idea of what we expect in a trouper. Be serious, be humorous . . . but above all, be yourself. Please use a separate sheet(s) of paper to record your responses if you need more space.

**Please return this with your audition application, fee, and videotape/DVD
