Light Up Marquee Box Current Winning Bid: **\$30**
Kids

Inspired by the old-school Hollywood cinema experience, the ColorBox LED Marquee lets you slide interchangeable, clear plastic tiles onto rails at the front of this sleek light box to “wow” the world with your pithy words and/or phrases. Flip a switch then watch your words be illuminated with light! Use the infrared remote control to change the back-light colors or to create a strobe effect. Great for home décor, wedding décor, birthdays, milestone celebrations, photo shoots, movie nights, and so much more.
